NURTURING THE WORLD

The Volunteers of Don Bosco (VDB), girls, and the Volunteers with Don Bosco (CDB), boys, form two secular institutes of consecrated lay people to God who chose to stay in the heart of the world to help transform it from within. They are part of the Salesian Family and share with the other 28 groups the spirituality of Don Bosco, the style of the relation and the mission that looks primarily at young people so that they can discover the values they bring and give meaning to their lives. Two days of testimonials through audiovisuals and leaflets, facilitated by members of the VDB and CDB.

- 10th August 2015 - h. 11.00 and h. 16.00

LIVING TOGETHER DON BOSCO'S DREAM

Circus show in front of Casa Don Bosco at 11 am and at 16 pm of the Circus for young people "Birichino" of Chemnitz in cooperation with Barabba's Clowns Arese, two important realities of the Salesian world. Young people will show different examples of different disciplines such as acrobatics, juggling, clowning and storytelling about the life of Don Bosco connected with the art of the circus.

- From 11th to 17th August 2015

A HOSPITAL IN THE BUSH

Photo exhibition of the Association Tonjproject development projects carried out in South Sudan.

- From 19th to 31th August 2015

FOOD AS IDENTITY

Photo exhibition on life in a shelter with young people from various parts of the world where socializing is a central moment of aggregation. The preparation of some typical foods of the land of origin and local foods are a central element of the exhibition. The event aims to testify to the importance of food as a symbol of an original identity. It is rooted in the land of origin, to which one is bound by maintaining culinary traditions, and the importance of integration with the new life, from which you acquire new food habits. Therefore food is a symbol of identity, dignity and integration.

- 30th August 2015

LET'S FEED SPORT! A team game for a better future

How we can “feed”, foster, make the sport and the sport activity grow, which have always been a pillar among the Salesian activities? How to transmit the concept of team and grow together? Educating to good food and to sports and at the same time educating to the food of small producers, another example of commitment, sacrifice and constancy? PGS, with Consiglio Internazionale di PGSI with the participation of the dicasteri FMA and SDB di Pastorale Giovanile, will present their different experiences of sport in Europe carried out by the Salesians. Tasting of local products so as to inform about the stories of small producers that consistently, commitment and determination (as in sports) know to produce great excellence. The fourth of a series of meetings that will accompany Casa Don Bosco during the six months of EXPO. The meeting will be followed by a tasting of local products: feed the body with typical products, quality, the basis for all sports. Knowing the stories of small producers that consistently, commitment and determination (as in sports) know to produce great excellence.

- 31th August 2015 - h. 17.00 - 19.30
